Mike,

I am just writing to thank you for another outstanding job speaking during our Welcome Week: Advantage 2007. I thought this year went better than ever, and if the standing ovation each time wasn't enough, I wanted to share our program evaluation results with you.

- 91.7% of our freshmen either agreed or strongly agreed that they learned relevant information on important personal topics.
- 92 % of our freshmen either agreed or strongly agreed that you educated them on issues that they may face on campus.
- And 92.7% of our freshmen recommended that our future students would benefit from your program.

I believe I speak for the University and certainly myself when I say how much we appreciate your partnership. Your program, in my opinion, is the best and most relevant that I have ever brought to campus. I look forward to seeing you again next year!

Warmest Regards,

Leslie Chandler
Coordinator of Student Orientation and Transfer Affairs
