Dear Mike,

It brings me great pleasure to recommend your "Can I Kiss You?" program to any institution that is willing and able to privilege its staff and student body with the compelling information you deliver. There is no doubt that, on February 16, 2005, your program captured and inspired all those who heard you speak.

Your passion for this very sensitive and "silent" issue is seen clearly through your presentation and delivery. It was amazing to see the students repeatedly transform from emotionally gripped to erupting in laughter. No student left the auditorium unchanged!

Please feel free to contact me if I can ever be of any assistance. I would certainly welcome any opportunity to work with you in the future. Thank you again for all you do.

Sincerely,
