Thanks so much. I’ve never seen a presentation quite like this. Thank you for sharing such valuable & rarely talked about information in such an engaging manner.

Great interaction. As a person who believes in waiting for marriage to have sex, I was uncomfortable with terminology that seemed to assume that sex is a natural part of dating.

I really enjoyed your presentation. I like how you interact with the audience.

I thought it was an amazing talk. You really have a way with connecting and keeping the attention of young audiences. Good luck in your future.

Great presentation. Clear and straightforward. Thank you for teaching others to make a difference.

Nice job. Thanks for including sexual orientation.

Awesome! I particularly appreciated your side note on homosexuality and the lesbian example. Thank you for giving a well-rounded, informative, & entertaining presentation ☺

A really good public speaker and a great speech! I learned a lot.

I thought your talk was wonderful. I love your message and fully agree. I love hearing this message because I think being reminded is very important. Thank You.

Mike, that was great! Wish that you could do something during USD Orientation Week!

Thanks ☺ Very good speaking & motivational message.

Very interesting. Thank you for coming & supporting sexual assault week!

I enjoyed it a lot because it made so much sense. It brings to light what we don’t usually think about.

I thought you did an awesome job. The role plays were an awesome way to see your teachings in a “real life” setting. Thanks for all your info.

Good Job!! Very educational. I like how it is interactive.
